Mrs. Rama Rajasekaran

DEAN cum PRINCIPAL

Ganga Institute of Health Sciences is an abode of education with the mission to nurture the novice nurses from the fountain head of varied and enriched clinical experience. That transforms into comprehensive skilled nurses thereby to deliver magnetic standard nursing care globally, equipped with sound ethical base.

This institution ensures to provide a secure ambience of multifaceted development for the teaching, where the students are encouraged to channelize their potential in the pursuit of excellence through student-centered curriculum.

Dr. Esther John

I am committed to leave no stone unturned without its maximum gleam which is the secret for the progress of our college. I always encourage the faculty to bring more and more rigor in the research and teaching arena. I am focused to bring this institution into the rows of the leading colleges in India.

Best wishes for augmented success to encircle you in the years to come.
